

Outdoor power supply a-level battery

Outdoor power supply a-level battery

Designed with a high-capacity built-in battery, this compact unit ensures that your Outdoor CCTV cameras, Wi-Fi router, and modem stay operational during power failures, preventing security gaps and internet downtime.

Key Features & Benefits:

- Zero-Delay Automatic Switching:** Switches instantly to battery power when AC power is lost, ensuring your connected devices never reboot or interrupt service.
- Universal Compatibility:** Provides a stable 12V DC, 2A output via the standard 5.5mm x 2.1mm DC barrel jack, compatible with most IP cameras, network routers, monitors, and security systems.
- High-Capacity Built-in Battery:** Features a reliable Lithium-ion battery (check capacity in mAh/Wh) for extended runtimes, keeping your vital devices powered for hours (Note: Specify actual mAh/Wh capacity and estimated run time here).
- Safety & Protection:** Equipped with multiple circuit protections, including Over-Current, Over-Voltage, Over-Charge, and Short-Circuit Protection, ensuring the safety and longevity of both the UPS and your connected equipment.
- Durable & Versatile Design:** The compact, enclosed housing is suitable for use in various environments, ideal for critical indoor devices and robust enough for sheltered outdoor use with your surveillance system.

Perfect For:

- Security Systems:** Ensure continuous recording and monitoring for your Outdoor/Indoor CCTV Cameras, IP Cameras, and Surveillance Systems working.
- Maintain a stable connection for your WiFi Router, Fiber Modem (ONU/ONT), and Network Switches.**
- Smart Home:** Keep your 12V DC Smart Hubs and low-power devices online.
